## Chester: 6th Cheshire & Wirral Conference

February saw the 6th Annual Cheshire and Wirral Area Conference with the former Home Secretary, the Rt. Hon. Amber Rudd MP. With nearly 200 members and supporters present, we were able to mark the centenary of the beginning of universal suffrage for women in style. A fantastic event; Jacqueline is looking forward to attending the seventh next year!

# Optimistic for the future

We have every reason to be bold and enthusiastic for the future, not least here in the North West as we get our economy back on track following the disastrous legacy left by Labour.

As your MEP, Jacqueline actively supports our highly skilled local businesses in maritime and ship building, car production, our nuclear, defence and aerospace sectors and the dynamic airline industry.

Commenting, she said, "I know the importance of backing our vital industries to deliver jobs and prosperity for people. I also know our Government is determined to build a country that works for everyone and release our full potential."

■ Seizing the opportunities of Brexit to deliver a strong future for Britain

## Allies after March 2019!

Jacqueline hosted a group of British Conservatives in Brussels as part of the 'Conservative Friends of the ECR' initiative to maintain our links with colleagues after March. Find out more here: [www.cfecr.org.uk](http://www.cfecr.org.uk)

## Working with our Party Chairman

As Deputy Leader of the Conservative MEPs, Jacqueline welcomed our Party Chairman to Brussels in November.

Jacqueline has always supported our Party members and activists across the region with campaigning and fundraising events. She was pleased to have the opportunity to discuss the UK's ambitious role in the world post-Brexit.

## Bolton: 3rd Annual Greater Manchester Conference

The Greater Manchester Area Conference goes from strength to strength, now in its third year. It is a super opportunity to meet up with great friends like Iona Worthington and Michael Winstanley and update colleagues on progress towards our exit from the EU in March 2019.

## Conference: Birmingham 2018

The Conservative Party Conference is a highlight of the year for Jacqueline where she always has a packed out agenda.

As Patron, she hosted a fringe event on behalf of the 'ThinkNorth' group and also took the opportunity to meet with, amongst others, Government Ministers from the Channel Islands.

Jacqueline also addressed a well attended defence and security fringe event alongside Defence Minister, Tobias Ellwood MP, and her colleague, Geoffrey Van Orden MEP.

## ThinkNorth Policy Exchange Event

Having an exciting policy agenda that reaches beyond the Brexit debate matters for our country. Jacqueline joined a packed out exchange of views with ThinkNorth supporters in the summer.
